

NOTES

1. Contractors must check all dimensions on site. Only figured dimensions are to be worked from. Discrepancies must be reported to the Architect or Engineer before proceeding.
© This drawing is copyright.
2. Direct scaling off the drawing is permissible for planning purposes only.

Typical Front Elevation
(when flying-link is paired with
neighbouring flying-link).

Typical Rear Elevation
(when flying-link is paired with
neighbouring flying-link).

Notes amended to show a typical elevation when a flying link is paired with neighbouring flying-link. For floor plans refer to the individual floor plans.
